The Fairfax County Park Authority will hold a public hearing to take public comment on the proposed Sully Woodlands Regional Master plan for over 4,000 acres of parkland in the Bull Run and Cub Run watersheds. The document addresses approximately 2,150 acres of recently acquired parkland in the western portion of the county in addition to 2,250 acres of existing parkland including E.C. Lawrence, Cub Run Stream Valley Park, and Richard W. Jones Park. The Regional Master Plan proposes management guidelines, land use recommendations with general locations of use zones illustrated, and potential next steps in the planning process. The School Board Wants to Hear From You

Over the past several months, the School Board has been exploring different governing models, while developing vision, mission, belief, and goal statements to provide a more concentrated focus on student achievement and to establish clearer accountability. A key component of this effort will be to engage the community in a dialogue about its expectations and hopes for its public school system. Twelve District Dialogue meetings are scheduled across Fairfax County. The District Dialogue meeting for the Sully District is on Tuesday, April 25, 2006, at 7 p.m. in Westfield High School's Cafeteria. The School Board hopes to see you there!
